

What is the YouthMOVE Program?

YouthMOVE is a youth-led group devoted to improving services and systems to support youth inclusion, mental wellness, positive supports and healthy transition. YouthMOVE empowers youth to advocate for themselves and live healthy, meaningful lives. This is provided in partnership with FOCUS and The Family Resource Center.

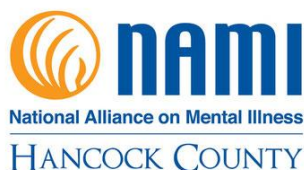

Participant Perspectives

"I have been able to be myself, to be better than I was the day before. I have been able to become more of a leader and I've explored and traveled to different places and met new people."

"YouthMOVE gave me a support network of people I can relate to on an intimate and personal level. They get me. They understand having a mental health condition and trying to maintain a healthy well-being."

This group is held the 2nd and 4th Monday of every month from 6:30pm -7:30pm. To register, call (567) 525-3435, email brittany@namihancockcounty.org, or visit our website.

Our mission is promoting mental health in Hancock County to build better lives through education, support, and advocacy.
